

**AMENDMENT TO THE ADDENDUM TO CRISP PARTICIPATION
AGREEMENT AND QUALIFIED SERVICES ORGANIZATION AGREEMENT**

This Amendment amends the Addendum to CRISP Participation Agreement and Qualified Services Organization Agreement (the “QSOA”) dated [date] between Chesapeake Regional Information System For Our Patients (“CRISP”) and [name] (the “Program”), a facility that provides alcohol or drug abuse diagnosis, treatment or referral within the meaning of 42 C.F.R. Part 2 (“Part 2”). The Program and CRISP shall collectively be known herein as the “Parties.”

WHEREAS, the Parties entered into the QSOA under which the Program agrees to provide CRISP access to information protected by Part 2 (“Part 2 Information”) as the Program’s qualified services organization;

WHEREAS, the Parties desire to amend the QSOA to permit CRISP to make Part 2 Information available to other Participants as permitted under Part 2 (for example, with patient consent);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties, intending to be legally bound, hereby agree to amend the QSOA as follows:

1. Section II.B of the QSOA is hereby deleted in its entirety and replaced with the following:

B. CRISP shall provide ENS, Clinical Query Portal, and Reporting Services consistent with the restrictions imposed in 42 C.F.R. Part 2. *(ENS enables the Program to receive real-time alerts when a patient is hospitalized, consistent with the applicable CRISP Use Case. The CRISP Clinical Query Portal (the “Portal”) displays patient-specific clinical information, such as labs, radiology reports, and Prescription Drug Monitoring Program medications, from a variety of sources in a single view. CRISP Reporting Services enables a program to access hospital utilization and cost data for their patients. CRISP will take measures to prevent Part 2 Information received from the Program from being made available to other Participants, including the fact that an identified individual is or has been a patient of the Part 2 Program, except as otherwise permitted under Part 2, including after patient has provided written consent to CRISP.*

The Parties have entered into this Amendment as of the ___ day of ___, 20___.
